

**CITB
FUNDED**

CITB Funding Available for the Construction ILM (C-ILM) Level 3 Qualification

Leadership and management are core skills required for all construction sites however, the industry has identified a skills gap and the need for more training in this sector.

To support this, CITB are providing £10.5million in funding to support Leadership and management training courses and qualifications for all employers who are CITB members.

Working in partnership with CITB, we have been awarded the contract for the South of England and will be offering funded course places throughout the south from January 2023.

This fund lets you build your learning with 2 levels

C-ILM Level 3 Certificate in Leadership and Management Practice Part 1 (Award)

- Our interactive 3-day Part 1 course engages, inspires and upskills your team, with an Award qualification at the end of it (for those sitting the 2 assessments for C-ILM Units 300 and 301).

C-ILM Level 3 Certificate in Leadership and Management Practice Part 2

- Leading on from Part 1, our 4-day Part 2 course grows your skills and knowledge to an even higher level. Successfully completing 3 more short, but important, assessments (for C-ILM Units 302, 303 and 304) gives you a Certificate Level qualification.

MKC Training will support you at every step to help you achieve your goal in an enjoyable and safe environment.

We highly recommend you encourage your teams to enrol for the full qualification to make the most of this fantastic fund before it ends!

Face to Face Training

This qualification will be delivered face to face in the following areas:

- South East
- South West
- London
- East Anglia

There will be a registration fee of £137 per delegate, but the remainder of the training will be **free to all CITB members**.

Benefits of this Qualification

For your organisation:

- Increased cost control
- Reduced man hours of staff on site
- An increase in productivity from your employees
- A Safer working environment for all staff ensuring best safety practice
- Managers with ILM certified skills for tenders and major contracts
- Improved retention of employees from supporting long term, continuous professional development.

For your employee's personal development:

- Be confident to lead their teams more effectively and efficiently
- Gain greater control over costs and resources in their projects
- Improve their commercial awareness
- Be able to plan effectively and reach organisational goals
- Learn to deal with a wide range of people (and more).

The chance to gain a national qualification to support you in obtaining your Academically Qualified Person (AQP) card through the Construction Skills Certification Scheme (CSCS).

Who is this qualification for?

- Team leaders
- Supervisors
- Foremen
- Site managers
- Anyone seeking to gain a thorough understanding of leadership and management principles to effectively lead, supervise and safely manage staff in the built environment and construction industry.

Registering with CITB

CITB funding is available for:

- All in-scope CITB registered employers who do not have any outstanding Levy submissions.
- People who have a full-time contract of direct employment (PAYE) with a Levy-registered employer or a CIS subcontractor to the employer.

Funding is NOT available for subcontracted labour or individuals who are self-employed.

There are many advantages of registering with CITB, including:

- Potentially being eligible for funding or grants
- Employing CITB apprentices
- Gaining access to learning support materials.
